

2023 Outstanding Projects Award

Entry Form

Important Entry Information

The award recognises exceptional work by members of Master Plumbers.

Criteria

- Entry is open to current members of Master Plumbers
- The project will display excellence and high levels of innovative plumbing, gasfitting or drainlaying methods, the use of new materials or the innovative use of existing materials. Examples might be:
 - The renovation and plumbing retrofit of a heritage building
 - The development of a building using renewable energy solutions
 - A challenging or interesting site
 - Use of specialist technology to create excellent outcomes.

How to complete this form
